

# The Fontenelle Boulevard Art (FBA)lous! Project...

## 2016

## Call for 2D Artists

The Fontenelle Boulevard Art (FBA)lous! Project invites local artists to create original 2D artwork that will be scanned, enlarged and printed as a streetlight mounted banner. Two banners will be hung at the entrance to Fontenelle Blvd. - at the intersection of Northwest Radial Highway and Military Avenue.

The banners are part of a larger effort to celebrate the importance of Fontenelle Boulevard – honoring its history and making it a destination for health, fitness and art appreciation.

Project specifics and entry form are available on the website:
