The Clairmont Heights Neighborhood Association, in partnership with Military Avenue Neighborhood Association, is seeking patrons for The Fontenelle Boulevard Art (FBA)lous! Project.

Two banners, each featuring original art, will be hung at the intersection of Fontenelle Boulevard, Northwest Radial Highway and Military Avenue, and up to two permanent sculptures will be installed along the Boulevard - between the intersection and Fontenelle Park. The project is part of a larger effort to celebrate the importance of Fontenelle Boulevard, honoring its history and making it a destination for health, fitness and art appreciation.

Additional details about the project are available on the project web site and facebook page listed below. Help support local art, artists and neighborhood revitalization – become a Fontenelle Boulevard Patron. It's going to be FBAlous!
